

Church flower rota

Updated from church lobby notice board on Sunday 29 December 2019

Amended on Monday 6 January 2020

SPECIAL NOTES

1. If you are unable to arrange the flowers on the date your name appears on the list, but would like to contribute to their provision, then please let me know and the flowers will be bought for you.

2. It is becoming more difficult to cover each week of the year and I would really appreciate more offers of help in order to avoid people having more than one week on the rota.
